Feast of Christ the King

Next Sunday we begin the Season of Advent

Our time of preparation for Christmas. Therefore this
Sunday marks the end of our current Liturgical year.
Before we begin the Season of Advent, we are asked to
reflect upon Christ our King. When Jesus was asked by
Pilate if he was a king, Jesus said that he was a king.

So, what sort of King was Jesus?

He was born in a small, poor and unimportant village.

His parents were not famous, powerful or wealthy.

His first visitors were the poorest of people - shepherds.

He never wrote a great novel.

He didn't eat or associate with rich or powerful people.

He never led an army into battle.

He did ask people to take up their cross and follow him.

He didn't surround himself with politicians,
soldiers or bankers.

He did sit and eat with people who were usually despised,
ignored and rejected.

He reached out to embrace those others saw as
worthless and as sinners.

He didn't live in a castle surrounded by maids or servants.

He did spend his time with the poor, the sick, the broken and
all those who were in need of love, healing and compassion.

He didn't own anything.

He didn't have any riches or wealth that the world thought
much of; but he did share his greatest possession with us

... God's Love

November comes and November goes

With the last red berries and the first white snows

With night coming early and dawn coming late,

And ice in the bucket and frost by the gate.

The fire burns and the kettles sing,

And earth sinks to rest until next Spring.
