Community Watch represents local people caring for local people and that needs to be supported and encouraged. Isn't that what a Christian Community is about? A Community Watch has been set up here some time ago and they could do with more volunteers. Please contact Parish Office for your name to be handed on.

Reconciliation

To be reconciled with others and with our God has to be a challenge for all of us. Love God, Love one another are central to Christian living. On Monday evening at 7.30 p.m. we have an opportunity to reflect on the importance of these. This invitation applies to all of us but we want to emphasise that it might be of special interest to parents and young people. Parenting in our time can be challenging and difficult. Influences such as that of the peer group, social media can either connect or disconnect us from one another and especially young people from parents. On Monday evening Cora Guinane who has a huge experience of teenage life and connections with parents, will speak to us and will include some young people in this. This could be a special evening for all of us.

Prayer for the Triduum

As we approach the three great days of the Triduum, let us pray for courage and for faith, both of which Jesus had in abundance. Jesus, help us to keep watch with you during the solemn days of **Holy Thursday, Good Friday, and Holy Saturday.** Please walk with us wherever we go, and give us the courage to let our faith show in all our words and actions. And when we pray help us to remember that words are not enough for you. You have asked us to love others as you have loved us. Amen.
