A quote ....  
 "Everybody is a genius. But if you judge a fish by its ability to climb a tree, it will live its whole life believing that it is stupid." (Albert Einstein)

**BE the person that no matter where you go or who you're with, you add value to the lives of those around you.**

## Prayer to Our Lady of Knock

Our Lady of Knock, Queen of Ireland, you gave hope to your people in a time of distress and comforted them in sorrow. You have inspired countless pilgrims to pray with confidence to your divine Son, remembering His promise, **"Ask and you shall receive, seek and you shall find"**

Help me to remember that we are all pilgrims on the road to Heaven. Fill me with love and concern for my brothers and sisters in Christ, especially those who live with me. Comfort me when I am sick, lonely or depressed. Teach me how to take part ever more reverently in the Holy Mass. Give me a greater love of Jesus in the Blessed Sacrament. Pray for me now and at the hour of my death. Amen.
