2nd Sunday of Lent

Today’s mountain walk was a huge experience for the three who would always be with Him. They saw Jesus in His glory.

Somehow they knew the real identity of Jesus - beloved son of the Father:

We climb a mountain and we see new views. We see the city from a new vantage point. Beauty we never saw before. We need times to climb mountains and get away from the ordinary. Lent is a time like that - as we give something up, we take something on.

Do you have a job in this Church and this Community … or do you have a Ministry?

There is a difference!

If you are doing it because no one else will, - it’s a job.
If you’re doing it to serve the Lord, - it’s a ministry.
If you’re doing it just well enough to get by, - it’s a job.
If you’re doing it to the best of your ability, - it’s a ministry.
If you quit because no one praised you or thanked you, - it was a job.
If you stay with it even though no one seems to notice, - it’s a ministry.
If your concern is success, - it’s a job.
If your concern is faithfulness, - it’s a ministry.

An average parish is filled with people doing good jobs.

A great parish is filled with people involved in ministry!

May God Bless and empower us as disciples of Jesus Christ, called to be in the ministry of this Church and Community.

“Love…It always protects, always trusts, always hopes, always perseveres. Love never fails.” 1 Corinthians 13, 4-7. Trocaire has launched it’s Lenten campaign ‘Until Love Conquers Fear’. Fear is felt by millions of people around the world who can’t feed their families, are forced to flee their homes because of conflict or are imprisoned for standing up for their rights. Love is the support shown to them by people here at home through the Lenten campaign. To find out more visit www.trocaire.org.
