The Christmas Season is over and we thank God for the joys and Blessings it brought to us.

We ask god's Blessings on those for whom it was a struggle or were in any kind of pain.

Thank you Lord for the gift of being able to rise each day with the assurance of your walking through the day with us.

God of this new year 2020, we praise you. Amen.

## Feast of the Epiphany

God sent both the Angel and the Star because God always meets us where we are.

Scripture says they were Wise Men from the East. They came seeking. They weren't sure exactly what they were seeking, just like many of us. But once they found what they were looking for God wouldn't let them return the same way they came.

God warned them and sent them off on their way back home by **"Another Road"**.

*Lord, help us make this journey of faith like the Wise Men, and help us listen to God as God leads us home on Another Road. Help us leave what is troubling us behind and help us leave by ... Another Road, ..*

*The Road of Forgiveness ... The Road of Healing.*
