## In November We Remember

In the month of November, we remember especially our departed loved ones. In these challenging times, their absence in our lives can be even more apparent and the grief that we feel more pronounced.

This November, you may wish to remember your own departed. Your intentions will be prayed for at all daily Masses throughout the month. This year because of Covid-19 restrictions, we are unable to come together to remember our loved ones at our Remembrance Mass

**On Friday November 13th** we are invited to join in spirit in our own homes while Mass is being offered for all from our Parish who have gone to their eternal reward since our Remembrance Mass last year.

*Perhaps we could light a candle in our own home and reflect on the cherished memories that we have of them that will never fade because we carry what they meant to us deep in our hearts. Tender and Loving God we gather at this time to give thanks for the gift of life and the gift of those whom we have lost.*

*We ask your healing Presence be with those who mourn at this time. Keep them safely in your care. Nothing can make up for the absence of someone we love. But we know Lord that they have died into safe hands.*

*We make this prayer through Christ our Lord. Amen.*

### For Loved Ones

*Lord, be good to them, and show them all your love.  
Lord, be kind to them, and grant them peace above.  
Lord, be merciful to them, and wipe their sins away.  
Lord, be generous to them, with all my heart I pray.  
Lord, be gracious to them, for good that they have done.  
Lord, be gentle with them, for sufferings undergone.  
Lord, may we meet again, when Heaven's crown is won.  
Amen*

Fr. Harry will continue to offer Mass privately during the month of November for all Holy Souls. Thank you to all who continue to drop in envelopes and donations to Parish Office at this difficult time. Your generosity is greatly appreciated.

As we are still living during Covid-19 Level 5 restrictions it is very important that we adhere to these regulations. We are all responsible for our own safety and as best we can the safety of others by restricting our movements and wearing our masks etc.

We are living in difficult times and Please God it is not forever. We just need to be the best we can be for now.

**Stay Home! and Stay Safe!**

### "Remembering the Little Ones"

We remember the families of babies lost from the womb and in infancy who are **Born Into Heaven**

"There is no footprint so small that it does not leave an imprint on the world"

### Dear Parents,

I did not die young I lived my span of life within your body and within your love. There are many who have lived long lives and have not been loved as me.

If you would honour me then speak my name and number me among your family.

If you would honour me then strive to live in love, for in that love, I live.

Never ever doubt that we will meet again. until that happy day, I will grow with God and wait for you.

Christy Kenneally

### Prayer on Visiting a Graveyard

May perpetual light shine upon the faces of all who rest here.

May the lives they lived unfold further in spirit.

May all their past travail find ease in the kindness of clay.

May the remembering earth mind every memory they brought.

May the rains from the heavens fall gently upon them.

May the wildflowers and grasses whisper their wishes into light.

May we reverence the village of presence in the stillness of this silent field.
