## Real Riches

Today's Gospel tells us of the rich young man who approached Christ with an honest desire to gain eternal life. Christ encouraged his efforts and took him onto a higher level of accomplishment: the radical way. He told the man to dispose of his possessions and follow him.

The rich man in the gospel thought his treasure was in wealth, and this made him sad. The wisdom of Jesus is that wealth is not the final happiness. Our biggest treasure is inside ourselves; each of us made in the image of God, by love and for love.

We are asked to value the dignity of each person and the treasure that each person is.

God's best gift to any parish is its people. Like in a school, or any institution which gathers people together. The rush of life and a general self-centredness can take the focus off the essential aspects of communities and people.

The Gospel today asks us to look to the right place for our true wealth and riches - to our charity, to our giving of time and self to others in the sort of relationships of love which value the worth and dignity of all.

We thank God for all the good people in our lives today.

## PRAYER FOR PEACE OF MIND

**Dear Lord,**

We ask you to give all around peace in our mind, body, soul and spirit.

Please heal and remove everything that is causing stress, grief, and sorrow in our lives.

Please guide our path through life and make our enemies be at peace with us.

Let your peace reign in our family, at our place of work, business and everything we lay our hands on.

Let your angels of peace go ahead of us when we go out and stay by our side when we return.

In Jesus name. Amen.

"There is Sunshine and there is Rain,  
 There is laughter and there is pain.  
 There is Loss and there is Gain,  
 There is Hope in Jesus Name"

*" Sometimes we have to let go of the picture of what we thought life would be like and learn to find joy in the story we are living"*
