Following Jesus does not necessarily mean being  
different from others. It means throwing ourselves into  
the everyday life and needs of people and  
giving what we can.

Faith is a way of life and of trust - a way of life that does  
not hinder others, but rather helps them through  
compassion and good deeds.

Our way of life is a sharing of faith one to another.

Pope Francis says that,

**'Faith is passed on by contact, from one person to  
another, just as one candle is lighted from another.'**

The people who make a difference are building blocks,  
not stumbling blocks.

Every good cause will inevitably have its be-grudgers.  
The Apostles are a good example, and they, bit by bit,  
realised that following Jesus can be interpreted in many  
ways.

In the giving of cold water or hot soup, or in making a  
difference to another in any way at all, is being a  
true follower.

**Lord, teach us to serve you as you deserve.**

International school feeding charity, **Mary's Meals**, have  
announced that they are now feeding more than **2 million  
children every school day**, in 19 of the poorest countries  
around the world. To celebrate this wonderful achievement,  
Mary's Meals Ireland is hoping to raise enough funds to  
feed **ALL** of the children, for one day. **It costs just 9c** to  
provide a nourishing meal in school, and so, a little goes a  
long way. To find out more, or to donate, please visit their  
website [www.marysmeals.ie](http://www.marysmeals.ie), or call Patricia Friel on 086
